

Our Missionaries to the Congo D. R. : Kazadi and Kahilu Wa Kazadi

Kazadi and Kahilu Wa Kazadi serve under Gospelink in the Kamalondo Area of Lubumbashi City in the Democratic Republic of the Congo, Africa. First Baptist Church began sponsoring Kazadi in August of 2006. At the time he was already an active evangelist and church planter. He has helped establish six different churches in his region, and estimates that over 700 people have received Christ through his ministry.

In his latest ministry update, Kazadi exhorts us "to stand in prayer with me so that God can prepare the hearts of people in the places God will send me." He also asks us to pray for his country, which has a reputation for political instability but is now organizing its first democratic elections. Though Kazadi and Kahilu have no children of their own, they have assumed responsibility for three other children: Dorcas, Kasongo, and Ilunga.
