

Our Mission to the Homeless – Phoenix Rescue Mission

Here in the thriving Valley of the Sun, it's easy to think that the overall prosperity of our economy touches everyone. Yet, it's estimated that over 10,000 people in the Valley live a life quite apart – some are veterans, some are addicted, some are working poor, and some come from struggling families. They are the homeless, and life for them is a daily and struggle to find food, shelter, and often recovery from addictions. Who will be Jesus to them?

With your mission dollars, First Baptist Church of Mesa regularly supports **Phoenix Rescue Mission**. Last year the mission served more than 220,000 meals, provided over 45,000 nights of safe shelter, and distributed over 10,000 food boxes to working poor families. More importantly, they placed 20,000 Bibles and Gospel tracts in the hands of those searching for God's saving grace and truth, and celebrated with Men's Recovery Program graduates as they entered into changed lives with the Lord's guidance.
